What We Do

The Prostate Centre, a self-supporting non-profit organization founded in 2000, sets the standard for easing the burden of prostate cancer by providing unbiased and understandable medical information, follow-up, psychological and peer counselling on prostate cancer and prostate health issues. The Centre emphasizes the importance of early detection and is dedicated to the prevention and research of prostate cancer.

Prostate Cancer Facts

- Prostate cancer is the most common cancer to afflict Canadian men.
- During his lifetime, 1 in 6 men will be diagnosed with the disease.
- Prostate cancer is over 90% curable if detected and treated in its earliest stages.
- Visit prostatecancer.ca for more information or to view our early detection guidelines.
